1. CONFIDENTIALITY POLICY

This Privacy Policy regulates the provisions regarding the use of information and documents shared by the parties ('Company') who have signed a User Agreement with 'DATASSIST' during their use of the payroll service and Minute personnel management system ('Platform') offered by 'DATASSIST'.

2. IMPORTANCE OF CONFIDENTIALITY

As 'DATASSIST', it is our first priority to protect and ensure the confidentiality of the information provided by the Company, Company officials or employees during the use of the service and the Platform. For this reason, the information provided by the Company and shared on the Platform will not be used in any scope other than the rules and purposes specified in the User Agreement and will not be shared with third parties.

3. PROTECTION OF PERSONAL DATA

'DATASSIST' processes personal data shared on the Platform in accordance with the relevant legislation in the capacity of "data processor" within the scope of the Personal Data Protection Law No. 6698. 'DATASSIST' within the scope specified in the relevant legislation,

- Not to process personal data unlawfully,
- No unlawful access to personal data,
- In order to ensure the protection of personal data, it takes the necessary technical and administrative measures to ensure the appropriate level of security and has the necessary audits carried out.

'DATASSIST' cannot disclose the personal data obtained about the Company, employees and other third parties to anyone else in violation of the provisions of this Privacy Policy and the Law No. 6698 on the Protection of Personal Data, and cannot use it for purposes other than processing.

- 'DATASSIST' provides users, if necessary, to detect problems with the system and to solve such problems as soon as possible.
- Internet Protocol (IP) address
